

Christmas in July

Dear Friends,

Welcome to the Inova Children's Hospital 'Christmas in July' Toy Drive Kit!

I am so grateful for your inquiry into our program! We appreciate your interest in hosting a toy drive for the children we provide award-winning care to.

For your convenience, this kit includes tips to make your toy drive a success, a wish list to help guide your participants and a toy drive flyer to help spread the word. For safety reasons we ask that you be sure all donated items are new and unwrapped.

If anyone would like to make a financial donation, please make checks payable to Inova Health Systems Foundation and list Inova Children's Hospital in the memo line OR visit www.inovachildrens.org/give and make a donation online. These donations fund our Child Life Program which provides supportive programming, entertainment and education for the children while they are with us.

Once you've gathered all of your donations, please contact us to coordinate your delivery at ichdonations@inova.org or call 703.776.7149.

Helpful hints for a successful toy drive:

Location! Location! Location! Make sure your toy drop off box is in a high foot-traffic area, such as main office or lobby entrance.

Spread the word! tell everyone you know, every way you can! Some examples on how to get the word out are newsletters, social media announcements and office e-mail. Attached in the Toy Drive Kit is a toy drive flyer template for your use.

Don't forget to have fun! Have a Kick-off party to encourage participation in the toy drive or an End of Toy Drive party to celebrate all the toys collected.

Please feel free to contact me for any additional information and once again, thank you for hosting a 'Christmas in July' toy drive for Inova Children's Hospital and I wish you success!

**Sincerely,
Taylor Tomczyk**
