

Instructions for Gifting Stock to the Inova Health Foundation

For securities held in “street name” by bank or brokerage, your broker can simply transfer the stock from your account to the Inova account, via electronic transfer. To do so, we suggest:

- Contact: Patricia Bowen, Senior Philanthropy Officer, Inova Health Foundation
(703) 289-2056 or patricia.bowen@inova.org
OR
Fariha Bilal, Manager, Accounting Services, Inova **OR** Sami Kaur, Sr Dir Asst Controller, Inova
(703) 289- 2463 or fariha.bilal@inova.org (703) 289-2455 or sami.kaur@inova.org

You or your broker must contact the Foundation or our accounting office before the stock transfer procedure begins. This is important because our broker must be notified and instructed to accept the gift. Otherwise there is a possibility that gift might be delayed or rejected, which might inhibit the completion of your gift by the desired gift date. The information we will need from you or your broker is: type and name of stock you plan to transfer, the approximate number of shares and contact information for your broker and brokerage house.

- Call/write/email your broker and give them the following information:
DTC Number: 2669
Customer/Fund Name: Inova Health Foundation
Customer Account number: 26-60745
Bank: The Northern Trust Company
Attention: Attn: Mazen Khader
The Northern Trust Company
Corporate and Institutional Services
50 S. LaSalle Street, B-8
Chicago, IL 60603
Phone: 312-444-5032, Fax: 312-557-2673
Email: Mk328@ntrs.com

- Send a follow up letter to your broker (with a copy to the Inova Health Foundation office), which confirms your instructions. Attached is a letter with suggested copy.

For securities held by you:

- Send your certificate by ordinary first class mail, without any endorsement or other notation to: Inova Health Foundation, 8110 Gatehouse Road, Suite 200 East, Falls Church, VA 22042. Enclose a letter stating your intent is to make a gift to benefit the Inova hospital, facility or program of your choice.
- Then, under separate cover, forward by first class mail a stock power (one for each certificate), endorsed in blank (your signature only, exactly as your name appears on the face of the certificate) along with a copy of the letter mailed with the certificate. Since the certificate becomes negotiable only when joined by the stock power, this method provides both safety and simplicity. Stock power forms are readily available at your bank or brokerage house or from the Inova Health Foundation. In some cases, you may need a “signature guarantee” from your bank or broker for the stock power. Please call us for details and further instructions.

Important Don'ts:

- Do not instruct your banker or broker to sell the securities for your account and forward the proceeds to Inova. This transaction would represent a cash contribution and you would be liable for the capital gains tax.
- Do not deliver your certificate to the issuing corporation or its transfer agent to be reissued in the name of the Inova Health Foundation. This process can be lengthy and the date of your gift is considered to be the date on which the corporation issues the new certificate in Inova's name. In the interim, the stock may decline in value or you may not complete the gift in the tax year you intend.

Following your verbal instructions to your broker for an electronic transfer of securities, we encourage you to send a follow-up letter of instruction (sample copy below) and to forward a copy to the Inova Health Foundation office. For a gift of stock certificates you hold, send unsigned certificates with a similar letter to the Inova Health Foundation, instructing us as to your wishes.

Send signed stock power in a separate envelope.
